## **AIM NATIONAL LAUNCH Saturday January 27<sup>th</sup> Nativity Centre, 76 Alfred Street, central Blenheim**

The launch will be on that afternoon, following on from the Anti-Bases Campaign's:

### **WAIHOPAI SPYBASE PROTEST** 10 a.m. Waihopai spy base outer gate, Waihopai Valley Road

The Aotearoa Independence Movement is a campaign, not an organisation. Our purpose is to initiate and drive a nationwide dialogue to advance the case for a non-aligned Aotearoa based on policies of economic, military and political independence.

#### **PROGRAMME**

**12** – start with catered lunch at venue.

**1- 2** – **speakers: Murray Horton** on AIM. **Keith Locke**: What a truly independent NZ foreign policy would look like. **Bill Rosenberg**: What a people-friendly globalisation would look like.

**2-4** - people to split into regional groups to discuss how to build and implement the AIM campaign in their city or town. Concludes with report back. Emphasis on organising, not information. This is not a conference.
